PLEASE DISTRIBUTE THIS DOCUMENT TO ALL APPROPRIATE SUPERVISORY STAFF

This document, along with a ground plan and light plot, will be available electronically at:
<http://www.childsplayaz.org/> in September/October.

The scenery, props, sound equipment, wardrobe and acting COMPANY of MADDI'S FRIDGE travels in one (1) Sprinter van. Please provide any necessary parking permits for the duration of the run.

The van will be unloaded during the first day of the load in at a time mutually agreed upon between the presenter and CHILDSPLAY. The immediate area of the loading dock and unloading area must be clear and available for vehicle parking during the entire duration of the load in and load out. It must be clear of all snow, ice, debris, or other obstructions prior to our arrival.

Prior to CHILDSPLAY'S arrival, work over stage must be completed. This includes lighting being ready for focus and soft goods arranged as mutually agreed. **If PRESENTER is unable to complete this work prior to CHILDSPLAY'S arrival, please plan for a longer load in time.**

The presenter or a representative must be available at all times to the stage manager during the load in, all performances and at the load out. For engagements lasting more than one day, the stage manager must be able to contact a representative of the presenter via telephone. Any representative must be able to make decisions on behalf of the presenter.

LOAD IN/LOAD OUT

MADDI'S FRIDGE will require a minimum of five (5) hours to load in, focus, set lighting cues, sound check and do a walkthrough of the show. **This work session lasting five (5) hours or less is contingent upon the PRESENTER being prepared for CHILDSPLAY'S arrival, as noted above.**

The stage manager will contact you prior to arrival to confirm a final load in schedule. If the load in occurs on the same day as the first performance, the load in shall begin at a time that will allow for a break between load in and half hour call.
